Objective

Mechanical Engineering undergraduate (4th semester) seeking Mechanical Engineering Intern, CAD Drafting Intern, or part-time/freelance roles. Skilled in AutoCAD, Basic SolidWorks, Python, and technical documentation with hands-on academic project experience.

Education

BSc Mechanical Engineering — University of Engineering and Technology (UET) Lahore

Expected Graduation: 2028 | Completed 3rd Semester

FSc Pre-Engineering — KIPS College, Kasur

Passed: 2024 | Marks: 85%

Matriculation (Science) — District Public School (DPS), Kasur

Finished: 2022 | Marks: 97%

Skills

- CAD Tools: AutoCAD, SolidWorks (Basic)
- Programming: Python, NumPy, Pandas, Matplotlib
- Technical Skills: Engineering drawing, force analysis
- Documentation: Technical report writing, MS Word, MS Excel
- Embedded Systems: Arduino, ESP32
- Manufacturing Exposure: Lathe machine operations (basic)

Experience

ESP32-Based Viscometer

- Developed a viscometer using ESP32 microcontroller
- Integrated sensors and analyzed fluid viscosity data
- Documented results and performance analysis

Automobile Part Modeling – Air Filter

- Created 2D and 3D CAD drawings using AutoCAD and SolidWorks
- Applied engineering drawing standards and tolerances

Python Data Analysis Project

- Analyzed datasets using Python libraries (Pandas, NumPy)
- Visualized insights using Matplotlib

Jib Crane Model & Force Analysis

- Designed a jib crane model for force and load analysis
- Prepared technical documentation and delivered presentations

Certifications

- AutoCAD with basic 3D modeling: UET Lahore (Jan–Feb 2025)
- Python Programming Certificate: Google (Coursera)

Languages

- Punjabi (Native)
- Urdu (Fluent)
- English (Proficient)

Interests

- Industrial Machinery & Maintenance
- Robotics and Automation
- Learning New Technologies
